Inspired by classic china, these timelessly nostalgic pieces feature beautiful floral designs that could pass as individually made. Whether you use them to serve entrées, hors d'oeuvres or desserts, your customers just might be transported to a Florentine patio when this collection reaches the table. Because the Isabella Collection is crafted from BPA-free, NSF-approved melamine, you can create elegant presentations day after day and night after night without concerns of safety or durability.

Showcase your entrée or larger portions on this 11" diameter melamine dinner plate. Featuring a beautiful rim and body of blue florals, this plate also serves as a perfect charger for the 8" scalloped salad plate. It is a piece of art that will complement any culinary creation. Mix with other items from the Isabella Collection for a truly eclectic look.
