Poolside food service presents a unique set of challenges, and the Del Mar Collection is designed to meet all of them. Crafted from lightweight ABS
plastic (a BPA-free, dishwasher-safe material), these stackable serving boxes can be used as both delivery trays and dinnerware. With stylish water inspired details and modular design, they're the ideal way to present light fare indoors and out. Just remember to wait 30 minutes before going back in.

This 11″ L x 7-7/8″ W x 3″ H gray serving dish is the ideal solution for outdoor service in restaurants and catered events. Its matching stackable lid (BL11G) ensures safe, sanitary and efficient service. Use it as a delivery box or as a dinnerware piece to serve any entrée and side, such as a burger and fries.
