Surprise utility player. These stylish stainless steel serving containers go from kitchen prep to fridge storage to the buffet line. Choose from architectural satin or a show-stopping hammered finish. With heavy stainless steel construction, they absorb and retain hot or cold, so food stays at the perfect temp longer for buffet guests. Great mix-and-match sizes. They'll stay gorgeous for years. Stacks for easy storage when not in use.

At 70 ounces, this is a versatile size for veggies and smaller sides. In beautiful, hammered stainless steel, it's as durable as it is beautiful. Delivers on maintaining food temps while hanging out on the brunch table.
