We asked ourselves, "How can you improve on something as simple as a market tray?" The result is these contemporary, stylish Black Twilight Market Trays. Featuring a striking angular design, they're an easy way to upgrade any deli case that's feeling out-of-date. Another innovation: They're dishwasher-safe, so sanitizing and reloading them is a cinch.

This 15" L x 9" W tray is an easy way to give your display case a stylish upgrade. It brings a contemporary flair to any space you use it in, whether you operate a grocery store, a bakery or a deli. Its 2" lip ensures that the contents stay in place, so you can show off your meats, salads or pastries with confidence.
