Dinnerware has a new standard. The Jane Collection, our “basic” dinnerware line, is anything but ordinary. Simple and versatile by design, these plates, bowls, cups and platters serve as ideal backdrops for all types of menu items. From low-key lunches to gastronomically-inspired dinners, the possibilities are practically endless. We chose to craft the Jane Collection from melamine for two reasons: First, it’s exceptionally resilient to the bumps, bangs and bounces that find their way into every kitchen. This dinnerware is in it for the long haul. Second, melamine is dishwasher-safe. No matter how you’re inspired to fill these blank canvases, cleaning and reusing them is a cinch.

This 8 ounce white melamine sauce cup from the Jane Collection is versatile in more ways than one. The roomy 8 ounce size gives ample space to serve garnishes, fruit slices, shareable dips and sauces, and more – and the simple white design means you can pair it easily with any decor. Best of all, it is crafted from melamine, which means it’s durable and dishwasher-safe!
