Take your presentation to new heights with our Lift Collection. This family of bowls, plates, pedestals and domes is designed to quite literally elevate your culinary creations. They give your dishes a beautiful platform and draw your guests' attention to where it should be: the food. Buildable, durable and interchangeable, you might just find the Lift Collection indispensable.

Our 6-1/2" diameter, 4-7/8" high white melamine pedestal is an exquisite way to elevate your creations. Use it to make every course from appetizers through dessert stand out and grab the attention of your guests. It looks like porcelain. But it's made with melamine. That means it's durable, easy-to-sanitize and chip-resistant. Whether you use it alone or mix it and match it with other pieces from the Lift Collection, this pedestal's combination of fashion, function and flexibility is as irresistible as the food you put on it.
