Take your presentation to new heights with our Lift Collection. This family of bowls, plates, pedestals and domes is designed to quite literally elevate your culinary creations. They give your dishes a beautiful platform and draw your guests' attention to where it should be: the food. Buildable, durable and interchangeable, you might just find the Lift Collection indispensable.

Mix the classic with the dynamic in this 40 ounce slanted bowl. It has the crisp white finish of porcelain, but because it's melamine-constructed, it's anything but delicate. Good for salads, sides, entrees and more, it offers a clean white backdrop for your creations, accentuating their colors and freshness. Its slanted design is both elegant and inviting, practically beckoning guests to sample its contents. And its melamine construction means it's easy-to-sanitize and very difficult to chip or damage.
