These black silicone ice molds are handy and easy to spot in your freezer. All are made of dishwasher-safe, BPA-free, foodsafe silicone and withstand temperatures from -4° F (-20° C) to 392° F (200° C). New, improved designs!

This 8-1/2" L x 4-1/2" W x 2" H black silicone mold has 8 compartments for 2" square cubes. The black silicone make is very flexible, making it as easy as possible to remove the ice. And it can withstand a massive variety of temperatures, so you can use it for more than just ice. Make candy and other delicious bite-sized treats!
