These black silicone ice molds are handy and easy to spot in your freezer. All are made of dishwasher-safe, BPA-free, foodsafe silicone and withstand temperatures from -4° F (-20° C) to 392° F (200° C). New, improved designs!

Create a precise menu with this 4-1/2" SQ. x 2" H black silicone mold. It has 4 compartments for 2" square cubes. The black silicone is flexible enough to make removing the ice as easy as possible. And, for an added bonus, it can withstand a huge variety of temperatures – so you can use it for ice cream treats, cake pops and other bite-size snacks.
