Pack it, stack it and grab it! This reusable collection was curated with reinvention of buffet and group dining in mind. Made of dishwasher-safe melamine and coordinating SAN lids, these bowls keep food safe from germs and contaminants.

Combine safety and sophistication with this crisp, white 9" L x 6" W rectangular bowl. Its 2" high flat sides give it a capacity of 25-1/2 ounces, and make it versatile enough to use as a bowl or an easy-to-transfer food tray for burgers and sides or other plateable meals. When paired with its compatible lid (SL96), this bowl will protect its contents from airborne contaminants, keeping your food safe, fresh and ready to eat. It can even be stacked for convenient, space-saving storage after use. Mix up your buffet presentation by combining this bowl with other shapes, shades and sizes from our Grab & Go Collection.
