Poolside food service presents a unique set of challenges, and the Del Mar Collection is designed to meet all of them. Crafted from lightweight ABS

plastic (a BPA-free, dishwasher-safe material), these stackable serving boxes can be used as both delivery trays and dinnerware. With stylish water inspired details and modular design, they're the ideal way to present light fare indoors and out. Just remember to wait 30 minutes before going back in.

Divide your B10G or B10W bowl in various ways to create the perfect look with this 1/4-size white insert! Whether you're pairing it with a 1/2-insert to build the ideal look for an entrée and two sides, or splitting it into quarters with different snacks and sides, your guests will be excited to feast. It's made from durable ABS plastic, it's dishwasher-safe, and it nests for space-saving storage.
