Serve up your favorite pie on these melamine pizza plates! Unlike standard serving platters, these durable plates are heat-resistant for safe handling. This means your staff can confidently serve blazing hot pizza fresh out of the oven! Even more conveniently, these plates have curved edges to keep food from rolling off and creating a mess. Aside from being highly versatile, these bright white plates look clean and attractive in any space. Available in five sizes to fit most standard pizzas.

With a diameter of 10" and height of 3/4", this versatile melamine pizza plate is a sleek way to plate up any slice. Designed with functionality top of mind, this tray is constructed of durable melamine. Its bright white color elevates any venue and will add a modern flair to your pizza presentation. The curved edges keep food from rolling off, making this plate a great option for parties and events where guests are walking around as they eat. It looks perfect paired with one of our display stands! Use this dishwasher-safe tray at your pizzeria, restaurant, buffet, or hotel.
