Cocktailing is an art. These whisks are a mixologist's right-hand memory maker. Available in a number of sizes, you will always find the perfect option for any size glass.

Whip up a Pisco Sour in style using this 7" L bar whisk. It has a square shape that can ensure that every corner of the glass is evenly mixed. The length gives more control for a wide variety of glass sizes, so it makes mixology that much easier for bartenders. The stainless steel construction is highly durable and dishwasher-safe, so you can be certain it's built to last. Pair it with our Stainless Steel Bar Utensils so you have everything you need to run an efficient bar.
