Finally, a contemporary take on melamine dinnerware that provides the ultimate canvas for today's modern cuisine: The Unity Collection. Named for the intersection of form and function, the Unity Collection combines a clean, straight-sided and stackable design with the durability of melamine. The result is delectably inspiring. Available in a wide variety of shapes, sizes and capacities, this dual-toned collection features colorways to approach both the coolest and warmest of decors. Intermix the Graphite and Mocha colors together, add a splash of stainless and a touch of Tritan™ and your recipe is complete. The look is truly extraordinary.

Use this 2-1/2" DIA. x 1-5/8" H, 2 ounce graphite and white melamine sauce cup to serve garnishes, sauces, or dips. The melamine construction is highly durable and dishwasher-safe, and the graphite and white design is both attractive and versatile. With a diameter of 2-1/2", you can add this little cup to your plates and platters without worrying about space. Pair it with any of the matching plates, platters, bowls and trays from the Unity Collection for a completely cohesive look.
