Finally, a contemporary take on melamine dinnerware that provides the ultimate canvas for today's modern cuisine: The Unity Collection. Named for the intersection of form and function, the Unity Collection combines a clean, straight-sided and stackable design with the durability of melamine. The result is delectably inspiring. Available in a wide variety of shapes, sizes and capacities, this dual-toned collection features colorways to approach both the coolest and warmest of decors. Intermix the Graphite and Mocha colors together, add a splash of stainless and a touch of Tritan™ and your recipe is complete. The look is truly extraordinary.

This 6" DIA. x 1/2" H graphite and white melamine plate is a superior way to serve bread, desserts and other small bites. The melamine build is highly durable and dishwasher-safe, giving you convenience in a busy environment. The dual-tone design is another added bonus, as it frames food perfectly and adds a little extra intrigue to your presentation. Serve alongside more from the Unity collection – from plates to bowls to platters – to create a cohesive design.
