The Unity Collection's satin-finished stainless steel plates and bowls not only bring together form and function at the table, but they unite different materials in a beautiful marriage of modern sophistication. Use as the star of the show or as an accessory; each piece is beautifully designed to add a bit of sparkle to your meal.

Dinner inside this 9" diameter satin-finish stainless steel plate will look more elegant and upscale than you can imagine. The subtle sheen of the satin finish gives it an edge, and the stainless steel construction is durable and dishwasher-safe, meaning you can add style and function simultaneously. It has 1/2" sides that ensure your culinary creations will stay firmly on the plate, no matter how busy your venue is or how messy the food is.
