Take your presentation to new heights with our Lift Collection. This family of bowls, plates, pedestals and domes is designed to quite literally elevate your culinary creations. They give your dishes a beautiful platform and draw your guests' attention to where it should be: the food. Buildable, durable and interchangeable, you might just find the Lift Collection indispensable.

Show off fresh baked goods or serve other tasty bites on the buffet line with this crisp black and white speckled 24" L x 9-1/2" W platter from the Lift Collection. It can be paired with any pedestal from the collection to create a multidimensional display. Or you can use it without the pedestal for even more options! The black speckled interior and white exterior adds an extra layer of intrigue, too. And the colors are just as versatile as the platter itself, so you can mix and match with any of your existing decor.
