Our Crave Collection of break-resistant melamine dinnerware offers a look that is far from your grandma's melamine. Fast forward to the 21st century, where technological advancements in designs, materials and manufacturing techniques create artisan-quality melamine that captures the look and feel of china – all at a fraction of the cost and two to three times the service life. NSF-certified and BPA-free, the Crave Collection is safe in terms of durability, design and ability to be thoroughly sanitized. In a wide variety of plates, platters, bowls and mugs, each artisanally designed piece features organic edges to elevate food service everywhere.

Your sauces, dressings and other dips will look delicious and homemade when you serve them inside this gorgeous 4-1/2 ounce white (Cloud) sauce cup from the Crave Collection! It looks artisanal thanks to its organic edges and shape, but it's actually made from durable and dishwasher-safe melamine. Pair it with more from the Crave Collection and mix and match the colors for a truly inspired look.
