A shorter take on our popular fry cup design, these pieces are great for mixing up your side service.

Spruce up the details of your plates with this 3-1/8" diameter mini stainless steel fry cup! It has a 2" height and 7 ounce capacity that are the perfect size for serving a side of chips or fries. The satin finish on this mini fry cup adds a subdued shimmer to your tabletop so your plate looks great but the food is what stands out. Pair it with wood serving boards to mix materials for a truly spectacular finished look.
