With the look of crystal but the durability of plastic, the Parker Collection's elegant sophistication will certainly turn heads. Made of the Tritan Copolyester, shatter-resistant, ultra-strong, dishwasher-safe material, this line of stemware and heavy-based drinkware is designed to serve where breakage is not an option. Available in a variety of popular shapes, capacities and styles.

Use this 21 ounce Tritan plastic highball glass to serve drinks in the most practical and most attractive way. This glass has a simple, timeless design that matches any and all existing decor. But best of all, the Tritan make is incredibly durable, so you'll be reaching for these glasses for years to come. Pair it with the matching Parker old fashioned double glass to complete the set!
