With the look of crystal but the durability of plastic, the Parker Collection's elegant sophistication will certainly turn heads. Made of the Tritan Copolyester, shatter-resistant, ultra-strong, dishwasher-safe material, this line of stemware and heavy-based drinkware is designed to serve where breakage is not an option. Available in a variety of popular shapes, capacities and styles.

Make your bar service enduring with this ultra-strong Tritan plastic 13 ounce double old fashioned glass! It has the look of elegant glass, but it's actually shatter-proof Tritan, and it nests for space-saving storage too. With a timeless design, you'll love that these glasses last for years to come. Pair it with our matching Parker highball glass to complete your set!
