Beautifully grained olive wood handles provide contrast to the mirror-finished stainless blades of these expertly crafted cheese knives. Each knife is designed to serve a different type of cheese, from hard Parmesan to soft Brie, while the fork easily transports each serving to your plate. Pair with an Olive Wood Serving Board to complete the look.

Set your cheese and charcuterie boards up for success by serving them with this gorgeous 4-3/4" L olive wood semi-hard cheese knife as the tool! The small stature allows you to serve the necessary tools without taking up too much space on the board. But even though it's small, it's easy to use and easy on the eyes. This knife has a pointed edge designed for harder and drier cheeses like parmesan and a bell shape that makes it a bit more ergonomic. Pair it with the rest of the Olive Wood Cheese Knives to complete the set!
