Beautifully grained olive wood handles provide contrast to the mirror-finished stainless blades of these expertly crafted cheese knives. Each knife is designed to serve a different type of cheese, from hard Parmesan to soft Brie, while the fork easily transports each serving to your plate. Pair with an Olive Wood Serving Board to complete the look.

This handy 6" olive wood hard cheese knife is the perfect tool when you want a knife to serve many functions in one. This knife is designed to help you cut through semi-hard to hard cheeses like Muenster thanks to its serrated edge. It has a forked-tipped spear to pick up those pieces with absolute ease. Best of all, this knife has a gorgeous mirrored blade and olive wood handle, delivering on style as much as functionality. Pair it with the rest of the Olive Wood Cheese Knives to complete the set!
