Scoop anything from ice to other bulk ingredients with these clear, polycarbonate measures specifically designed to handle the rigors of foodservice. Made of durable and dishwasher-safe polycarbonate with easy-to-grip handles, these scoops will surely make measuring easy. Available in multiple capacities.

This 10-1/2" L x 2-3/8" W polycarbonate scoop has a 6 ounce capacity bowl, ideal for measuring out exactly what you need for smaller amounts of things. With a highly durable polycarbonate build, you can break up melted ice easily, but this scoop is also great for smaller or softer items.
