We combined two trends that are here to stay with these must-have pieces: the look of slate and the love of tacos. Crafted from durable and dishwasher-safe melamine, these pieces have everything you need for the perfect taco presentation.

Keep your tacos in place and in style with this fantastic 8" L x 3" W faux slate terra cotta melamine taco holder. It has 2 or 3 compartments depending on which side is up, which is perfect for different menu options and sizes. The terra cotta appearance has a worldly and warm feel – but this holder is made from melamine, which is durable and dishwasher-safe. Use this holder for more than just tacos – whether you're serving multiple hot dogs, burgers, cannoli, or anything else you can think of, this piece has your back. Pair it with more of our terra cotta melamine pieces for a cohesive final look!
