Named for the intersection of form and function, the Unity Collection combines a clean, straight-sided design with the durability of melamine. The result is delectably inspiring. Now available in popular nestable bowl capacities designed to save space in storage.

This 5-5/8" DIA. x 2-5/8" H tapered mocha melamine bowl is perfect for serving salads or pastas and more. It gives you an ample space – 24 ounces in fact – to serve your delicious creations, and it nests for space-saving storage. Thanks to its dual-tone, whatever you serve will stand out against the white interior while still adding a dash of color through the mocha exterior. Pair it with more from the Unity Collection to complete the look!
