Named for the intersection of form and function, the Unity Collection combines a clean, straight-sided design with the durability of melamine. The result is delectably inspiring. Now available in popular nestable bowl capacities designed to save space in storage.

This tapered 5" DIA. X 2-3/8" H mocha melamine bowl is a great option for serving salad, soups, snacks and more. It has a gorgeous dual-tone which highlights whatever you're serving while still adding a dash of color to your display. The tapered design means this piece will nest for space-saving storage, and the melamine material makes it durable and dishwasher-safe. There's not much more you can ask for than that! Pair it with more from the Unity Collection for a complete look!
