Create a beautiful, handmade aesthetic with these Tritan glasses from the Crave Collection. They have an artisanal look thanks to their organic edges. Even better, the Tritan construction makes these glasses nearly indestructible.

Use this 18 ounce Tritan plastic highball glass to serve drinks with practicality and beauty. This glass has the signature handmade aesthetic of the Crave Collection, and yet it's made from the highly durable Tritan plastic. Its deep storm hue gives it a beautiful, rich appearance, too. Pair it with the rest of the items from the Crave Collection to complete the look!
