Create a beautiful, handmade aesthetic with these Tritan glasses from the Crave Collection. They have an artisanal look thanks to their organic edges. Even better, the Tritan construction makes these glasses nearly indestructible.

Build a beautiful, handmade aesthetic starting with this gorgeous 3-1/8" DIA. x 4-1/4" H Tritan plastic rocks glass! It has a 9 ounce capacity, making it versatile enough to use for water and other beverages at the table and cocktails at the bar. Pair it with the rest of the items from the Crave Collection for a completed look!

- Tritan
- Storm
- Dishwasher Safe
- Durable, Nestable & Artisanal Design
