Level up your display – literally – with these handy rubberized wedges! The rubberized coating allows you to prop up your crates and dishes for a display or buffet line without slipping or sliding down. Dynamic presentation has never been easier!

This black rubberized wedge is 5" L x 3" W x 2-1/2" H, giving you the opportunity to add a subtle lift to any crate or tray in your display. The rubberized coating will ensure that whatever you're propping up won't slip or slide. Make sure guests can properly and easily see what you're serving! Pair it with a variety of our pedestals and risers to ensure a truly dynamic look.
