The Amano Collection is the perfect union of contemporary flair and handmade workmanship. Each piece is hand forged from durable stainless steel for a unique yet sophisticated look. Available in all the most popular sizes to accessorize the buffet.

Level up your buffet with this stunning 12" L stainless steel spoon from the Amono Collection. This hand forged spoon is the embodiment of modern sophistication, but its long handle is also the perfect length for getting what you need from a deep chafing dish. Pair this piece with the rest of the Amono Collection to complete the aesthetic.
