The Amano Collection is the perfect union of contemporary flair and handmade workmanship. Each piece is hand forged from durable stainless steel for a unique yet sophisticated look. Available in all the most popular sizes to accessorize the buffet.

A must-have for serving sides like corn or peas, this 12" L stainless steel slotted spoon adds eye-catching style and optimum functionality to your buffets. It features a long handle for deep chafing dishes and a beautiful handmade detail along the grip. A gorgeous representation of modern sophistication, you can elevate your buffet effortlessly by pairing this piece with the rest of the Amano Collection.
