With the look of crystal but the durability of plastic, the Parker Collection's elegant sophistication will certainly turn heads. Made of the Tritan Copolyester, shatter-resistant, ultra-strong, dishwasher-safe material, this line of stemware and heavy-based drinkware is designed to serve where breakage is not an option. Available in a variety of popular shapes, capacities and styles.

Get ready to upgrade your serving game with our 1 liter carafe from the Parker Collection. Crafted from ultra-durable Tritan plastic, this carafe combines sophistication with shatter-proof reliability, making it perfect for any setting. The convenient lid ensures easy transport and features a built-in strainer to keep ice and garnishes where they belong. Ideal for serving refreshing beverages, this versatile carafe is also perfect for serving up salad dressings at buffets or catered events. Its smooth, elegant design seamlessly matches any decor, adding a touch of class to both indoor and outdoor gatherings. Pair it with other items from the Parker Collection for a complete set that's as stylish as it is functional. Let the Parker Collection be your partner in entertaining, ensuring every gathering is a hit!
