Power your buffet without limits. The BuffetBoost Battery Collection delivers the freedom to go cordless, keeping every presentation effortless and adaptable. At its core is our high-performance lithium-ion battery, designed for compatibility across all BuffetBoost products. The collection expands with versatile charging and power accessories that simplify setup and mobility from buildable charging trays to the flexible PowerPack. Wherever your culinary vision travels, BuffetBoost Battery keeps the energy flowing.

Keep your BuffetBoost Charging Tray performing at its best with the accessory replacement pack. Whether you're running a single-tier setup or stacking up for extra charging capacity, these parts have you covered. Each pack includes five sturdy risers, five caps, and five feet—everything you need to replace missing pieces or refresh your setup. Built for flexibility and durability, this pack ensures your charging system stays organized, efficient, and ready to power through service after service.
