Power your buffet without limits. The BuffetBoost Battery Collection delivers the freedom to go cordless, keeping every presentation effortless and adaptable. At its core is our high-performance lithium-ion battery, designed for compatibility across all BuffetBoost products. The collection expands with versatile charging and power accessories that simplify setup and mobility from buildable charging trays to the flexible PowerPack. Wherever your culinary vision travels, BuffetBoost Battery keeps the energy flowing.

Keep it sleek and supercharged with the BuffetBoost 1-to-4 Power Cord. This high-capacity cord powers up to four charging trays or warming blocks from a single outlet, making charging and heating simple. Whether you're powering a four-tier charging rack with 24 batteries, keeping four warming blocks running for perfect heat, or recharging four batteries housed in warming blocks, this cord handles it all with ease. Engineered for heavy-duty performance, it's the powerhouse that keeps everything running smoothly so you can serve with confidence.
