Cu. Ft.: 0.50

Weight: 10 lbs

When design, function, and elegance align, you get true synergy. These chafers shine alongside our BuffetBoost Collection, thanks to their flat-bottom construction that maximizes heat transfer and a hinged, tempered glass lid that keeps warmth in and lid clutter out. Add in premium stainless steel construction and timeless finishes, and you've got chafers that are as hardworking as they are elegant.

Big enough for entrées, sleek enough for any tablescape. This 6 qt. satin chafers pairs modern elegance with hardworking functionality. Its satin stainless steel finish keeps things looking clean and contemporary, while the side handles and hydraulic hinge make setup and service a breeze. The tempered glass lid invites guests to look, not lift—keeping heat locked in and counters clutter-free. Designed for perfect contact with BuffetBoost Warming Block but flexible with an optional food pan (sold separately) for other heating methods, this chafers is ready to elevate your buffet game.

- Stainless Steel
- Silver
- Dishwasher Safe
- Hammered Texture, Versatile Performance
