The Black Twilight Modular Display Cases bring effortless style and smart design to your countertop. Clear acrylic drawers showcase fresh pastries or neatly organized essentials, while the matte black metal frame adds modern sophistication. Each case features clever stacking pins and top openings so you can build your display your way—double up, mix and match, or create a custom configuration that fits your space. However you stack them, the result is always sleek, functional, and beautifully put together.

Half-size, fully versatile. This 10-1/2" L x 13-3/4" W x 7-7/8" H case makes pastries, breads, and other front-of-house essentials easy to see and reach thanks to clear acrylic drawers. The rich matte black frame and handle give it a subtle design edge without overpowering any setting. Use it on its own, or combine with 1/4 and full-size cases (sold separately) to build a modular display that's organized, adaptable, and stylish.
