The Black Twilight Modular Display Cases bring effortless style and smart design to your countertop. Clear acrylic drawers showcase fresh pastries or neatly organized essentials, while the matte black metal frame adds modern sophistication. Each case features clever stacking pins and top openings so you can build your display your way—double up, mix and match, or create a custom configuration that fits your space. However you stack them, the result is always sleek, functional, and beautifully put together.

Small but striking, this 5-1/4" L x 13-3/4" W x 7-7/8" H display case offers full visibility for pastries, small front-of-house essentials, or compact countertop storage. Its clear acrylic drawer slides smoothly, and the rich matte black metal accents elevate the design while remaining versatile. Stand alone, pair four for a quartet of quarter-size perfection, or mix with 1/2 and full-size cases (sold separately) to build a modular display tailored to your space.
