The Lyselle Collection brings together the brightness of maple wood with the ease of minimalist design. Clean lines and gentle curves create a timeless silhouette, while the wood's naturally warm tone provides a welcoming backdrop for any spread. Simple yet refined, the collection serves as a beautiful canvas for any presentation—from shared meals to elevated displays. With Lyselle, minimalism meets comfort, making every setting feel effortlessly inviting.

Long and lean, this maple platter was made to turn heads. One side frames your spread with a soft rim, the other goes flat and streamlined for a modern edge. Line up hors d'oeuvres in neat rows, layer on a dramatic charcuterie board, or let it anchor a buffet display. Minimalist in form, maximalist in possibility.
