8" DIA.

List Price: \$24.60 PK

Pack: 8

Cu. Ft.: 0.37

Weight: 7 lbs

Bake and serve delicious thin-crust pizzas with amNOW Essentials TP pans. Made in the USA from 20-gauge aluminum, these wide-rim, flat-bottom pans heat evenly and hold up to daily commercial use. Lightweight, stackable and easy to store, these pans deliver reliable performance at an affordable price. Perfect for busy kitchens that need practical, durable and cost-effective solutions.

This pan features an 8" outer diameter and 6" inner diameter, making it ideal for small pizzas and personal flatbreads. Made from 20-gauge aluminum, this pan heats evenly and resists warping for dependable everyday use. The wide rim offers stability for baking and serving. Note: This item is sold in a pack of 6.
