Power your buffet without limits. The BuffetBoost Battery Collection delivers the freedom to go cordless, keeping every presentation effortless and adaptable. At its core is our high-performance lithium-ion battery, designed for compatibility across all BuffetBoost products. The collection expands with versatile charging and power accessories that simplify setup and mobility—from buildable charging trays to the flexible PowerPack. Wherever your culinary vision travels, BuffetBoost Battery keeps the energy flowing.

Ensure your BuffetBoost LumaLamp stays ready with our heavy-duty 165 W AC Adapter/Charger, engineered for the demands of commercial use. This powerful adapter not only operates the LumaLamp efficiently but also charges BuffetBoost Lithium-Ion Batteries quickly, keeping your display running smoothly without missing a beat. Ideal as a replacement or spare, it ensures your buffet service never slows down.
