Power your buffet without limits. The BuffetBoost Battery Collection delivers the freedom to go cordless, keeping every presentation effortless and adaptable. At its core is our high-performance lithium-ion battery, designed for compatibility across all BuffetBoost products. The collection expands with versatile charging and power accessories that simplify setup and mobility—from buildable charging trays to the flexible PowerPack. Wherever your culinary vision travels, BuffetBoost Battery keeps the energy flowing.

Reliable connections for versatile setups. This replacement wire provides a secure link between the PowerPack and compatible BuffetBoost Collection devices. Maintaining this connection is essential for extending battery-powered run time, ensuring your buffet setup stays energized and uninterrupted wherever cordless operation is needed.
