TP PAN, ALUMINUM, 12" DIA., PACK OF 6
12" DIA.

List Price: \$40.60 PK

Pack: 8

Cu. Ft.: 0.83

Weight: 16 lbs

Bake and serve delicious thin-crust pizzas with amNOW Essentials TP pans. Made in the USA from 20-gauge aluminum, these wide-rim, flat-bottom pans heat evenly and hold up to daily commercial use. Lightweight, stackable and easy to store, these pans deliver reliable performance at an affordable price. Perfect for busy kitchens that need practical, durable and cost-effective solutions.

This 12" pan has an inner diameter of 10", making it a perfect size for a standard pizza. Crafted from 20-gauge aluminum, this pan provides consistent heat and balances lightweight handling with long-lasting durability. The wide rim keeps pizzas steady during prep, baking and service. Note: This item is sold in a pack of 6.
