Bake and serve delicious thin-crust pizzas with amNOW Essentials TP pans. Made in the USA from 20-gauge aluminum, these wide-rim, flat-bottom pans heat evenly and hold up to daily commercial use. Lightweight, stackable and easy to store, these pans deliver reliable performance at an affordable price. Perfect for busy kitchens that need practical, durable and cost-effective solutions.

With a 14" outer diameter and 12" inner diameter, this wide-rim pan offers reliable performance for larger pizzas. Constructed from 20-gauge aluminum, it heats quickly and evenly to produce crisp crusts every time. Note: This item is sold in a pack of 6.
