TP PAN, ALUMINUM, 16" DIA., PACK OF 6
16" DIA.

List Price: \$62.40 PK

Pack: 8

Cu. Ft.: 1.48

Weight: 29 lbs

Bake and serve delicious thin-crust pizzas with amNOW Essentials TP pans. Made in the USA from 20-gauge aluminum, these wide-rim, flat-bottom pans heat evenly and hold up to daily commercial use. Lightweight, stackable and easy to store, these pans deliver reliable performance at an affordable price. Perfect for busy kitchens that need practical, durable and cost-effective solutions.

This 16" diameter pan has a 14" inner diameter, allowing it to deliver dependable results for larger pizzas. Its 20-gauge aluminum construction provides even baking and lasting durability, and the wide rim ensures steady handling from oven to table. Note: This item is sold in a pack of 6.
