The unsung heroes of the back-of-house and the showpieces of the buffet line—our cutting and carving boards are designed to perform wherever the action is. Built with foodservice in mind, they deliver the durability chefs demand and the style operators love to showcase. From everyday prep to elevated presentation, each board balances rugged function with refined design details.

Streamlined and striking, this 20" DIA. x 3/4" H pressed wood board brings contemporary style to the carving station with dependable performance and easy care. A deep juice groove keeps juices in check, and integrated side handles ensure smooth lifting. The matte black finish maintains its sleek appearance through repeated use and enhances presentation under the BuffetBoost?LumaLamp. Dishwasher safe for quick cleanup and lasting durability.
