These miniature laser cut signs bring clear, professional labeling to even the smallest beverage stations. Their reduced footprint fits easily on any countertop, giving you the space you need to create the perfect display. With words to identify everything at the coffee station and more, you can be certain you have everything you need. Mix and match words and finishes across your setup to help guests quickly identify what they need in style.

Ensure guests can spot your coffee service at a glance, even on small surfaces, with this 2-1/8" L black laser cut sign. With the word "COFFEE" laser cut into the sign, you'll be able to clearly organize your coffee station no matter the size of the table. Pair this with other mini signs in the line to complete the look.
