These wood crates are as versatile as it gets. They can be used to hold fruit, present bread, display baked goods, or for storage. However you choose to use them, these crates add a rustic touch.

Warm acacia wood and a sleek thin-slat design give this classic crate a fresh, modern edge. A tapered shape allows crates to nest for easy transport and storage, while the 21" L x 13" W x 7-7/8" H size is perfectly suited to fit insert IBT200 for food and beverage service. Ideal for buffet lines, drink stations, or layered displays, this crate is designed to look beautiful while standing up to the demands of service. Pair it with other pieces from our Loft Acacia Wood collection to create a presentation that feels cohesive, curated, and effortlessly elevated.
