These miniature laser cut signs bring clear, professional labeling to even the smallest beverage stations. Their reduced footprint fits easily on any countertop, giving you the space you need to create the perfect display. With words to identify everything at the coffee station and more, you can be certain you have everything you need. Mix and match words and finishes across your setup to help guests quickly identify what they need in style.

Bring clarity to your coffee stations, even in compact areas, with this 1-1/4" L stainless steel laser cut sign. Featuring the word "OAT", you can ensure guests know which milk they need without crowding a tight countertop or tiered riser.
