These miniature laser cut signs bring clear, professional labeling to even the smallest beverage stations. Their reduced footprint fits easily on any countertop, giving you the space you need to create the perfect display. With words to identify everything at the coffee station and more, you can be certain you have everything you need. Mix and match words and finishes across your setup to help guests quickly identify what they need in style.

Maximize seating flexibility on even the smallest tabletops with this compact 2-3/4" L stainless steel laser cut sign. The word "RESERVED" is cleanly cut through the metal to clearly mark held tables without overwhelming your place settings, bar tops, or host stands. Pair it with the rest of our mini laser cut signs for a cohesive look!
